

Encounter Jesus

6th Sunday of Easter, 5th May 2024

The call to 'Encounter Jesus' is both an invitation and a mission.

We are an open, welcoming community that seeks to share the life and love of Jesus with every person we encounter.

As a community, we strive to create those spaces where anyone can freely encounter the person of Jesus.

We are further challenged to encounter Jesus in each other, in the world and in the life of the Church.

We acknowledge the Awabakal people as traditional custodians of this place. Dear Parish Family,

Thanks to everyone for their prayerful support at what has been a difficult time particularly for our school community, staff, students and families here in Warners Bay. There is much that can't and shouldn't be talked about, but prayer is so gratefully needed.

Our sacrament program has begun with parent information evenings held in Warners Bay this past week. There is another opportunity in Toronto in the week ahead. We could really use a couple more small group leaders to facilitate what I hope will be great opportunities for faith formation of our young people as they move through to completion the sacraments of initiation. Ideally each small group would be made of four or five young people and their parents. Each Sacrament has four sessions with the celebration of the sacrament completing that part of the process.

Confirmation at Warners Bay is the 3rd September, Toronto the 13th September and Morisset the 27th September. If the date closest to home doesn't suit for any reason we have an opportunity to welcome the kids and their families to another night.

The parishes are using a program designed by the Diocese of Broken Bay and is an engaging process of prayer, information and conversation. Any one interested please make contact with me in the first instance and I can take you through what we are doing. The commitment is three groups of four sessions; 12 in total. Not huge although a bit of preparation is needed. This is part of our bread and butter.

Don't forget to download the 'Empower You' app designed by the Police and for the protection of those who are in difficult circumstances in their domestic situations. Can I remind you that many of the bruises of domestic violence are not seen in black eyes or physical injury. It can be financial abuse for example having all income withheld, or an elderly person having their bank accounts drained, people being isolated from family and friends.

As a community we hear and see things – the app helps us record them but also one offs might be more clearly seen as a pattern over time. Writing something can give clarity or certainty to it and at any time having a conversation with an appropriate person also ensures being a voice for the voiceless. It is our core message really – doing what Jesus would have us do and inviting others to do the same.

Kind regards,

Greg

Parish Administrator

Reflection Day with SRE Teachers

Special Religious Education (SRE) offers a safe place for students in state schools to learn about Jesus' love and to discuss matters of faith, spirituality, and beliefs. For teachers, it is a response to a calling of journeying with young people as they come to know Jesus Christ, who loves and teaches love.

You are invited to join Bishop Michael Kennedy and the Special Religious Education teachers for a day of prayerful contemplation. Starting with Mass, this is an occasion to listen to and engage in stories and experiences involving this ministry. An opportunity exists in the afternoon for us to visit the Catechesis of the Good Shepherd to learn about this sacred space where children use sensory rich materials and Montessori principles to explore their relationship with God.

Morning tea and lunch will be provided. Register at https://forms.office.com/r/iaKTYrJHt7

Living Prayer

Easter season is a time we rejoice in the resurrection of our Lord and hold dear the promise of new life and hope. However in the world around us, we know that not all are able to focus on joy, celebration and renewal at this time. As we gather as a community let us remember the profound love and sacrifice Jesus made for each and every one of us. So we pray:

- * that nations will seek peace and reconciliation and that there will be an end to all wars, violence and famine.
- * that those who live in despair, sadness and fear will find new hope.
- * that people everywhere will strive to make the world a more peaceful place through simple, everyday acts of kindness and love.
- * for the innocent victims and their families of the Bondi Junction incident.
- * for all those with mental health issues.
- * for church leaders of all faiths, that they keep their hearts and minds open to the word of Jesus.
- * and give thanks for all the wonderful volunteers who came forward to various ministries via our Gifting Sunday.
